

Puffins: Summer 1

April 17th – May 26th

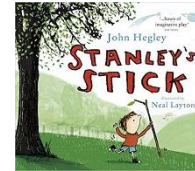

English

The first book we will explore this term is “The Little Green Hen” by Alison Murray. We will be writing a set of instructions on how to look after the orchard.

Later in this half term we will look at the book “Stanley’s Stick” by John Hegley. We will use the book to help us write our own narrative.

Maths

This term we will be looking at place value to 100 and partitioning bigger numbers. We will then move on to understanding multiplication and division and we will then look at fractions.

Year 1-

- Understanding numbers 50-100.
- Partition numbers into tens and ones
- Comparing numbers
- Counting in 2s, 5s and 10s
- Making equal groups by sharing and grouping
- Making arrays
- Understanding halves and quarters
- Finding halves and quarters

Year 2 –

- Flexible partitioning
- Counting in 3s
- Adding and subtraction across 10
- Odd and even
- 2,3,5 and 10 times tables
- Dividing by 2,5 and 10
- Finding halves, quarters and thirds
- Unit and non-unit fractions
- Problem solving

Weekly reminders

Monday

❖ PE Kits to be in school.
Please can children have both long bottoms and shorts as the weather is still unpredictable.

❖ Indoor PE

Tuesday

❖ Library day

Wednesday

❖ Outdoor PE

❖ Homework - due

❖ Spelling test

Thursday

❖ Homework - set

❖ Reading books changed

Please make sure reading books and reading diaries are in bags.

PE

Weather depending, we will be doing only outdoor PE for the summer term.

Outdoor 1- We will start preparing for sports day by practicing our running, jumping and throwing skills.

Outdoor 2- We will be practicing our Tennis skills focusing on our passing and hand control.

Music

In music we will be exploring graphic scores. We will be using picture and graphic notation.. We will be build patterns and layer them using a variety of percussion instruments.

Science

For the summer term we will be looking at plants. To begin with this term, we will be understanding how plants grow. We are going to plant seeds and watch them grow.

If you have any spare seeds or pots at home we would be very grateful for any donations.

We will also be exploring the school grounds monitoring the signs of spring and the beginning of summer.

R.E.

This term we will be exploring Judaism and understanding what Shabbat is and why it is important.

History

This term in history we will be looking at the Titanic to understand the journey it took and the significance of it.

Computing

This term we will be developing our typing skills by exploring digital writing.

Spanish

This term we will be looking at naming the features of our face.

Art

In Art we will be working on our observational skills and focusing on real life drawing.

PSHE

We are excited to start our new 'Heart smart' program looking at the unit of ' Fake is a mistake'. In this unit we will explore:

- Being yourself is the best you can be.
- Who can we trust to talk to when we are sad or mad?
- How small lies can have a big impact
- The importance of good dental health.
