

Puffins: Spring 2

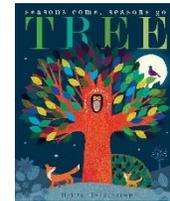

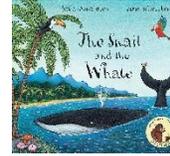

February 20th – March 31st

English

The first book we will be exploring this half term is *The Snail and the Whale*, which will support us in creating a fact file.

Later in this half term we will look at the book *Tree* by Patricia Hegarty to create our own poetry piece.

Maths

In maths year 1s will be exploring Number and place value up to 50, length, height mass and volume. Year 2 will be looking at multiplication and division, length, height, mass, capacity and temperature.

Year 1-

- Making groups of tens and ones.
- Estimating on a number line to 50.
- Measuring and comparing lengths using objects.
- Measuring lengths in centimetres.
- Measuring mass and capacity.

Year 2 –

- Dividing by 2, 5 and 10.
- Measuring in centimetres, meters, grams, kilograms, millilitres and litres.
- Comparing and ordering lengths and heights and using the four operations to problem solve.
- Measuring temperature.

R.E.

We will be looking at the story of Easter. How and why Christians celebrate it.

History

In history we will be exploring significant individuals looking at Queen Elizabeth I, Queen Elizabeth II, Queen Victoria and the effect they had on our lives.

Spanish

This term we will be will looking at naming fruit and vegetables

PE

Indoor- we will be looking at games we can play without using a ball .

Outdoor - this term we will continue to look at how to play hockey.

Science

We will be looking at animals and living things. Exploring how animals get their food.

We will also be continuing our longitudinal study and looking at what seasonal changes spring brings.

If there are questions or concerns, please feel free to email me:
n.ball@wherwell.hants.sch.uk

PSHE

In PHSE we will be looking at jobs within the community, staying safe and recognising when to get help.

Art

In art we will continue to look at weaving, with a focus on how this is done in nature.

Computing

We will be looking at gathering data and making pictograms.
