Wednesday

- ❖ Outdoor PE
- ❖ Homework due
- ❖ Spelling test

Friday

- ❖ Homework set

Important dates:

School Photos – 17th November
Parents sharing session- Tuesday
12th December 2.50pm

Home learning task :

This term, we will be focusing on our Frozen World. For this terms home learning task, I would like the children to choose an animal that lives in the polar regions and make an informative poster about it. You can get as creative as you like! Due Friday 8th December.

If you have any questions or concerns, please talk to me at the end of the day or email:
reporting@wherwell.hants.sch.uk

English

We will begin our term looking at Ernest Shackleton – Little People, Big Dreams. We will be creating our own non-chronological report using this book.

Later in the term, we will be studying the book, 'The Great Explorer', and we will be using this to write our own narrative about an explorer.

In guided reading, we will be studying the book 'Lost and Found'.

Maths

In maths this term, year 2s and year 3s will be exploring multiplication and division.

Year 2

Make/Add equal groups
The multiplication symbol
Use arrays
Doubling and halving
Odd and even numbers
2 times table
Divide by 2
10 times table
Divide by 10
5 times table
Divide by 5

Year 3

Use arrays
Sharing and grouping
Multiples of 2
Multiples of 5 and 10
Multiply by 3
Divide by 3
Multiply by 4
Divide by 4
Multiply by 8
Divide by 8

R.E.

We will be learning about incarnation as part of Christianity. We will be discussing the Christian belief that Jesus is a gift from God.

PE

Indoor This term we will be practising our dance skills
Outdoor We will be undertaking invasion games which is any game where the objective is to attack the opposition's territory and score a goal or point

PSHE

We will be reminding ourselves how to be Heart Smart. We will learn how to let love in and accept care and love from others. We will also discuss how to show ourselves kindness.

Music

We will be looking at singing, focussing particularly on pitch and taking care to phrase and breathe correctly.

Science

We will start our longitudinal study of light, investigating the question: How does a shadow change over a day and through the year? We will also cover the use of every day materials.

Geography

In geography, we will be learning about Antarctica and specifically who lives there. We will be focussing on locational knowledge.

Spanish

We will be working on numbers in Spanish and using them to count to 50. Maybe we can even try some maths!

DT

Linking to our science topic, we will be looking at designing and making a patchwork quilt.

Reading Records

We love to see that your child has been reading at home. Please can you record in their reading journal when you have listened to them read at least 3 times throughout the week!

Computing

We will be learning about, taking and manipulating digital photos.
