Important dates:

Inset day- 13th November
Parents evening- 14th and 15th November
School photos- 17th November.
Parent sharing sessions- 12th December

Home learning task

To link with our Geography learning could you make your own world map? This could include adding pictures or flags from different countries, or colouring and labelling a map.

English

We will be exploring the book 'The Firework makers daughter' by Philip Pullman. While exploring this book, we will write our own set of instructions about how to make a firework and then we will create our own quest narrative.

Please note that children should be reading at home at least 3 times a week, which should be in their reading journal. This can be done independently or with an adult.

Maths

In maths this term, year 3s and year 4s will be learning about multiplication and division.

Year 3

- Recapping 2, 5 and 10 times tables
- Multiplying and dividing by 3
- Multiplying and dividing by 4
- Multiplying and dividing by 8
- Learning 3s, 4s and 8s times tables

Year 4

- Exploring the relation between 3s, 6s and 9s times tables.
- Multiplying and dividing by 7
- Multiplying and dividing by 11
- Multiplying and dividing by 12
- Problem solving with multiplication and division.

If you have any questions or concerns, please talk to me at the end of the day or email:

reporting@wherwell.hants.sch.uk

R.E.

Linking to Christmas we will be considering the subject of incarnation and thinking about what is the most important part of the Nativity for Christians?

PE

Indoor This term, we will be practising dance using music and the carnival of Animals.

Outdoor- we will practising our marking, possession and passing in a variety of different ways.

As the weather is getting colder please make sure you child has appropriate clothing.

PSHE

In PHSE, our theme is ' Don't forget to let love in'. Within this we will be looking at: positive self identity, supporting others, how we show love and gratitude and how choices affect out physical health.

Music

We will be continuing with Listen 2 Me. We continue to identify and understand how rhythm patterns fit to a steady beat.

Spanish

We will be looking at introducing ourselves and family members and using this in conversation.

Science

We will be investigating the question: Did you hear that? Looking at how sound travels and changes in pitch and volume.

DT

Linking to our science topic, we will be designing and making our own musical instruments.

Geography

In geography we will be looking at the topic of 'All Around the World'. We will be exploring where different countries are located and their different climates and time zones.

Art

Linking to our English, we will be making firework art using a variety of different materials.

Computing

We will be exploring audio production where we will be recording sounds and creating our own podcast.
